

422 - TEXTILE PROTECTOR

TEXTILE PROTECTOR is especially developed for protection of many different types of textiles. Well suited for new and newly cleaned fabrics, giving long-lasting protection.

Instructions

Vacuum the surface thoroughly, and clean if necessary, with NORDICARE TEXTILE CLEANER before applying the protector. Spray on in an even layer until the surface is moisturized. Spray distance 20cm/8". Allow the textile to dry before use. Use on regular basis as needed.

Declaration

Contains: water and selected special protective agents.

WARNING: Keep out of reach of children.

Conditioning

500ml (12 units/box)
