

715 - AIRCONDITION CLEANER

AIRCONDITION CLEANER is a special hygienic cleaner for all types of AC systems such as: air conditioners, heaters, evaporators, heat pumps and ventilation systems. The cleaner eliminates unpleasant odors and removes residues that can cause health problems. Removes triggers for coughing, sneezing, sniffles and other allergic reactions within 15 minutes and leaves a pleasant scent.

Instructions

Open the AC system to be treated by removing the cover and filter. Spray the cleaner into the unit in large quantities. Allow the cleaner to soak in for 15 minutes. Then spray all wipeable surfaces additionally with the hygienic cleaner and clean them thoroughly. Clean the filter of your unit, or replace it with a new one.

Declaration

Contains: <5% amphoteric and non-ionic surfactants, isopropyl alcohol, quaternary ammonium salts, water, perfume.

WARNING: Keep out of reach of children.

Conditioning

500ml (12 units/box)
